PRACTICE POLICIES AND SERVICE INFORMATION

Dear Patient:

Thank you for requesting an appointment with me at Wellspring Christian Clinic. I am pleased that you have chosen me as your clinician and I am committed to giving you the best care possible. I have enclosed several forms as well as a patient history questionnaire. All of this information is necessary for quality evaluation and management of treatment. Please complete everything included so that we can best complete in one session what otherwise might take two or three sessions. This saves you time and money as it allows me to move more quickly with an accurate assessment and treatment. I will be glad for you to keep a copy for future use with other doctors and clinicians if you so desire.

Wellspring Christian Clinic's office hours: Monday – Thursday 8:30 am – 4:30 pm & Friday 8:30 am – 12:30 pm.

To acquaint you further with the procedures and policies of this clinic, I am providing the following information:

- Appointments: I have appointments back to back throughout each day. I do my best to be punctual for your appointment unless an emergency interrupts. I ask that you be punctual as well. If you are late for any reason, you will receive the remainder of your scheduled time. This is necessary so I can keep my following appointments at their scheduled time. If you need to cancel an appointment, a minimum advanced notice of one full workday is required so that we will have a chance to fill that slot. You may leave a message with the office staff or on their voicemail. We will charge you a full fee for late cancellations or failures to show. Note: as a courtesy, we will call you the business day prior to your appointment to remind you of the time. However, we are sometimes unable to make this call or are unable to reach you. YOU ARE STILL RESPONSIBLE FOR COMING TO YOUR APPOINTMENT OR CANCELLING 24 BUSINESS HOURS IN ADVANCE, even if you do not receive a call.
- Psychological Evaluations: A psychological evaluation is a formal examination of mental health. Our psychological evaluations include clinical interviews, standardized measures of intellectual ability, achievement, personality, adaptive behavior, and social, emotional, and behavioral functioning, as well as clinical observation, and a review of relevant documentation. Please understand this is a long process. The clinical interview(s), administered tests, and filling out of various measures may take anywhere from two to five hours. In addition, the scoring, interpretation, and report write-up make also take anywhere from two to five hours. The psychological evaluation may ultimately result in diagnosis, recommendations, and/or feedback. The reports will be drafted and completed as soon as possible, and I will make the best possible effort not to go beyond 14 days from the date of the psychological evaluation. Included in the cost of the psychological evaluation will be one courtesy 30-minute feedback session in which I review the results of the psychological evaluation with you and/or the child. The feedback session will typically be scheduled upon the completion of the psychological evaluation.
- <u>Emergencies</u>: During office hours, let the office staff know that you have an emergency and the nature of the problem and one of them will try to contact me. After office hours, please leave me a voicemail. If you need after-hours emergency interventions, call 911 or go to your nearest local Emergency Room, where the staff can offer assessment and treatment.
- Payment: You are fully responsible for all services rendered. Full payment is expected at the time of service, unless other contractual agreements apply. Please make all checks payable to Wellspring Christian Clinic. As another payment option, we accept Visa or MasterCard. There will be a \$25 fee for payments returned as non-sufficient or non-payable. All services rendered will be billed to you, your guarantor, or some contracted insurance plans by our office staff. If you have questions regarding your account balance, you may call 205-977-3003 to speak with an account representative. Please Note: Billing processes may include a monthly statement, phone call, or correspondence regarding the patient due portion of the account balance. Statements, phone numbers, and correspondence will be addressed regarding the patient/guarantor address or phone numbers listed on the Wellspring Registration Form. If any of these business office procedures present a problem for

<u>Payment (cont)</u>: you or your treatment, please discuss your concern with your Wellspring Christian Clinic therapist or the office staff. I may be a provider with your insurance company. Please ask the office staff if you have any questions regarding this. They will give you a form with all of the information your insurance will need for you to file for reimbursement. Some managed care plans have specific providers for whom they will extend coverage, which means that services from providers not on these panels may or may not be eligible for reimbursement. The best way to find out if my services are eligible for reimbursement is to contact your insurance company directly, using the phone number provided on your insurance card. You may also contact your subscriber information booklet or the personnel office which manages your insurance.

• <u>Confidentiality</u>: Your patient records are the property of Wellspring Christian Clinic and shall be treated as confidential. To insure quality record maintenance and patient confidentiality, Wellspring Christian Clinic will conduct routine patient record audits. To comply with State and Federal Laws regarding patient confidentiality, your records will not be released without the properly executed written consent. Everything about your care will be held in strictest confidence. There are some circumstances in which we are required by law to break confidentiality.* If you choose to have your Wellspring Christian Clinic provider(s) keep a third party informed of your progress in counseling, it will be necessary to complete the following Release of Information form that will be kept on file.

There are some circumstances in which I am required by law to break confidentiality. As a psychologist/therapist, I am both ethically and legally bound to keep in confidence any information you divulge to me. However, there are some exceptions to this confidentiality you should be aware of:

- 1. If you are a danger to yourself or others in the immediate future, I will take the action necessary to protect everyone involved. This may include notifying persons or agencies such as family members, friends, intended victims, employers, and/or the police.
- 2. If I see evidence of child abuse, elderly abuse, or abuse of a disabled person, or strongly suspect abuse in this regard is taking place, I am required by law to make a report to the Department of Human Resources in the county of residence for the child.
- 3. If subpoenaed to provide information in a court of law, I will first assert psychologist (psychological trainee)-patient privilege. However, I can be ordered by a judge to report what you have said to me in confidence.
- <u>Termination</u>: Ending therapy may be initiated by you as the client, or as legal guardian of the client or myself as the therapist. In either event, a final session is strongly recommended to explore the ending process itself. This can be a useful conclusion to treatment. Referrals to other providers or other suggestions can be offered at that time.
- <u>Telephone Calls</u>: There is always someone you can reach to address your problems or concerns when needed. If you need to leave me a message on my voicemail, it will page me. I or the Wellspring Christian Clinic office staff will return your call.
- Reports and Letters: I have the right to bill for my time if you, another clinician, lawyer, insurance company, etc. request a letter or report. Payment is expected at the time of service. Unpaid balances will be billed to you or your guarantor from our office. Should you have any questions regarding your account balance, you may call our office at 205-977-3003. Insurance companies may not reimburse for these fees.

*Under law, I have the right to break confidentiality if there is suspected child abuse or intent to harm another or oneself.
